CAPABILITY STATEMENT

National & State of Florida Certified

Committed to Your Success

AMC Sales Promotions Co. Inc. is a female-owned and operated, Tier 1 & 2 product, service, support manufacturing distributor, a small business professional of brand products and programs, support and service company with a mission to provide branded solutions from start to completion, consistency of the brand's quality across all mediums and products.

Trusting AMC's distributorship to manufacture your brand products reduces production risks and costs by having design and brand consistency implemented, manufactured, and produced by one company managing and consulting with team manufacturers, handled by one company. This turnkey strategy makes it easier to guarantee a higher quality product and brand, throughout the entire production process, consistently deliver results, on time. Our production team partners adjust to changes and project objects incorporating added features and changes with minimal impact on delivery schedules and saving you time and money.
